

# Cystic Fibrosis Trust

**NFRC**  
LEADING ROOFING EXCELLENCE

During my tenure as NFRC President, I have elected to support **The Cystic Fibrosis Trust.**

This charity is fighting a condition with no cure and one which has had an impact on my wider family.

Over the term of my Presidency, I will be raising both awareness and funds for this charity.

I truly appreciate whatever donation you are able to make.

Many thanks

*Colin*

## What does the Cystic Fibrosis Trust do?

Invest in cutting-edge research to develop improved treatments. Drive up standards of clinical care at specialist CF centres and clinics across the UK. Provide trusted information, advice and support to those affected. Campaign hard on the issues that matter.

## How can I find out more about cystic fibrosis?

Visit the Cystic Fibrosis Trust website:

**[cysticfibrosis.org.uk](http://cysticfibrosis.org.uk)**

The faulty CF gene is carried by 1 in 25 people in the UK.

Over 10,500 people live with cystic fibrosis in the UK.

Each week in the UK, two people die of cystic fibrosis.

*I truly appreciate whatever donation you are able to make.*

*Many thanks.*
